

14.06.2026

[illegible]

Hand-drawn diagram illustrating the 12 months of the year, organized into a circular flow chart. The chart is divided into 12 segments, each representing a month, with text in German. The segments are color-coded and numbered 1 through 12.

Top Segment (1): Januar (January) - 1. Tag des Jahres (1st day of the year)

Top-Right Segment (2): Februar (February) - 2. Tag des Jahres (2nd day of the year)

Right Segment (3): März (March) - 3. Tag des Jahres (3rd day of the year)

Top-Left Segment (4): April (April) - 4. Tag des Jahres (4th day of the year)

Left Segment (5): Mai (May) - 5. Tag des Jahres (5th day of the year)

Bottom-Left Segment (6): Juni (June) - 6. Tag des Jahres (6th day of the year)

Bottom Segment (7): Juli (July) - 7. Tag des Jahres (7th day of the year)

Bottom-Right Segment (8): August (August) - 8. Tag des Jahres (8th day of the year)

Right Segment (9): September (September) - 9. Tag des Jahres (9th day of the year)

Top-Right Segment (10): Oktober (October) - 10. Tag des Jahres (10th day of the year)

Top Segment (11): November (November) - 11. Tag des Jahres (11th day of the year)

Top-Left Segment (12): Dezember (December) - 12. Tag des Jahres (12th day of the year)
